2. At press time, our Stabilization Force (SFOR 16) mission in Bosnia and Herzegovina was being by shifted by FORSCOM to the Stabilization Force mission in Kosovo (KFOR 6B). If this change is approved, our force requirements will significantly expand.

3. KFOR units will be exercised at least two times prior to their Mobilization Date (expected to be May 2004). Their final MOBEX will be conducted within a six-month window prior to M-Day). During the KFOR dedicated exercises, each major subordinate command's Task Force (TF) will be afforded the opportunity to schedule their make-up soldiers.

4. Due to the current unit mobilizations and the expected increased mission requirements associated with the KFOR mission, the New Jersey Army National Guard's Homeland Security (HLS) assets will be depleted. As a result, non-missioned units will be exercised as well. This will ensure that the Governor will still be able to call on the NJARNG to conduct Military Support to Civil Authorities (MSCA) and/or HLS missions.

5. The G3-Mobilization Readiness Officer, MAJ Walter L. Alvarado, 609-562-0772, is the G-Staff proponent officer responsible for establishing policy, procedures and responsibilities for the administration of all Mobilization Exercises.
